Youth's Creative Voice

## DAY 1 · 9 MARCH 2026

Educom+ welcomed young people from seven countries – Spain, Norway, Lithuania, Latvia, Romania, Türkiye and Greece – to the heart of Thessaly.

A powerful identity mapping activity broke the ice and built real connections across languages and cultures. Participants then dived into the Multi Minds Literacy Toolbox (IO2), with modules led by Araxa Edu, Triskelion and Asociatia Demetrius.

The day closed at breathtaking Lake Plastiras, where local flavours, laughter and water sports turned colleagues into friends.

### DAY 2 · 10 MARCH 2026

The second day continued with toolbox modules led by Kurybines Ateities Idejos (Lithuania) and Radosas Iniciativas Centrs (Latvia). Learning then moved into the city with “Multimodality in museums”: visits to the museums of Karditsa to explore how images, objects, space and text work together to tell a story.

In the afternoon, the group travelled to the majestic rocks and monasteries of Meteora, followed by lunch in the old town of Trikala – a day of breathtaking views and unforgettable local food.

### DAY 3 · 11 MARCH 2026

The final day opened with the last toolbox modules, led by Institut Cal·lípolis and Educom+. All partners then evaluated the modules through discussion and peer feedback, before the certificate ceremony.

“We came as strangers, we leave as a global family.”

Seven teams of inspired youth leave with new skills and new friendships. Thank you to our trainers and to every participant. Until we meet again!
